2. Reasons for the Revision

The consolidated financial performance with regards to the Operating profit, the recurring profit, and the Profit attributable to owners of parent for the first half (cumulative first and second quarters) of fiscal year ending March 31, 2017, are expected to highly outperform our previous announcement, primarily reflecting increased in sales and some expenses (R&D expenses, Selling, general and administrative expenses etc.) that will shift to the second half of the year.

We will disclose the detail of the operating performance by segment and the full year forecasts, when we announce the first half financial report on October 28.
