
The Kawasaki Group conducts procurement activities based on the Kawasaki Group Mission Statement, the encapsulation of the Group's management principles.

Fair and Impartial Procurement

We will provide broad and impartial opportunities for our business partners and will make selections with integrity and in good faith after conducting comprehensive and fair evaluations of quality, price, delivery schedule, technological development capabilities, and other such factors.

Relationships with Business Partners

The Kawasaki Group will take a long-term perspective as it strives to build relationships of trust with business partners based on mutual respect for one another's vision and position with the aim of mutual enhancement of competitiveness and prosperity.

Compliance

We will observe related statutes and regulations as well as social norms. We will place information gained through procurement under appropriate controls and will take thoroughgoing measures to protect confidential information and prevent leaks.

Consideration for Human Rights, Labor and Occupational Safety and Health
