

## To Remain a Corporation in Keeping with the Public's Trust

Starting this year we enhance the report on our social nature and call it *KAWASAKI REPORT 2006-Environmental and Social Responsibility*. The stance of Kawasaki's spirit of manufacturing that contributes to a sustainable society is to provide products that help people and give society what it demands. From our basic management objectives and Medium-Term Business Plan to our corporate governance and compliance, all are devised to assure Kawasaki remains a company that maintains its social trust through our spirit of manufacturing.
